

Special Thanks

Presque Isle County Right to Life says "thank you" to its' former President, June Byrne, and Secretary, Sharon Underwood, for their many years of faithful service to this organization. June is moving down state and will be unable to continue as President. Sharon has stepped down from her former role as an officer, but will continue heartily supporting PICRTL. The new officers are Dave Walters (President), Lyle Dickinson (Vice President/ Church Liaison), and Kathy Talaske (Secretary/Treasurer).

A Note from Dave

The new officers of Presque Isle County Right to Life greatly appreciate your prayers and support. This coming year is sure to be a challenge, and your support is needed and appreciated more than ever. The "pro-death" forces are gearing up for battle in our courts and at the ballot box. We must be ready for the coming fight, stand together, and trust in the LORD.

The Value of the Individual

Every individual who has ever been conceived is valuable. The Declaration of Independence of the United States of America includes these words: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." Our American forefathers understood the value of the individual, and that this value is based on our creation, not because it has been granted by governments or societies. God made us and loves us. This makes each individual very valuable, indeed.

The value of each person does not depend on what others think about that individual. It depends solely upon what God thinks. God loves everyone without regard to parentage, gender, nationality, social standing, cultural or religious background, cognitive ability, physical stamina, beauty, or financial status. He

MARCH for LIFE January 21, 2022

The March for Life is an inspiring, rally of people from all across the country. Every year, tens of thousands of pro-lifers converge on the National Mall and march on Capitol Hill on the anniversary of the Supreme Court's 1973 Roe v. Wade ruling which legalized abortion in all 50 states. It's the largest annual human rights demonstration in the world. But it is not just a protest... it is a celebration of LIFE. Members from our affiliate will be traveling by bus to join this march.

THANKSGIVING for LIFE DINNER November 13, 2021

Life Chain Across America

Sunday, October 3rd, members of Presque Isle County Right to Life joined with other pro-life supporters in the community to create a LIFE CHAIN of support for the vulnerable. It is hoped that efforts such as this one accomplish at least three important things:

1. inform the public about prolife issues,
2. challenge those who do not support life, and
3. encourage those involved of the pro-life movement.

One group stood at US 23 and M68 in Rogers City. Another group stood at the other end of the county on M68 in Onaway. Thanks to all those who participated. God bless each of you.
